

Church of St. Michael

BUILDING MAINTENANCE IMPROVEMENT FUND

What Is It?

The Church of St. Michael has established a Building Maintenance/Improvement Fund, which will be used for repairs and maintenance of our parish facilities.

Why Give Now?

We told you about the generous matching fund opportunity for our Building Maintenance and Improvement Fund. A parishioner pledged to match every dollar we raised through June 30, up to \$25,000. By June 30 we had received donations of \$26,000 giving us a fund of \$51,000 as we began our new fiscal year. Donations are still needed. Please prayerfully consider giving to this fund. **Thank you for your generosity!**

Our Greatest Needs

1. Replace carpet in the Church. The worship space carpet is 25 years old and will cost over \$80,000 to replace.
2. Seal coat all Church and School parking lots
3. Replace flat roof at the Church and Parish Office
4. Create a "Rainy Day" allotment for hot water heaters, Heating and AC repair, etc.
5. Replace windows at the Parish Office

HOW YOU CAN HELP:

- Visit the parish website at www.stmichael-pl.org and click on the "DONATE" button.
- Use the special collections envelope that will be included in your May/June envelope mailing and place it in the collection basket at Mass.
- Call Mike Laughery, Business Administrator, at 952-447-9033.

Prayerfully consider making a contribution today!
