

Church of St. Michael

Communications Committee

Who We are?

The Communications Committee includes several dedicated Church of St. Michael parishioners and the Director of Office & Communications for the parish. We seek to improve communication with the parish and the outside community.

What We Do?

We offer ideas, expertise and support regarding parish communication initiatives.

Our results in the past year include creating, *The Angelus* and a Facebook page for the Church of St. Michael. *The Angelus* e-newsletter is emailed monthly to 1000 plus parishioners. Plan, create and administer the Time & Talent survey, and more.

Our goals will include increasing our **Likes** on Facebook to 200. Reaching out to all ages in our parish promoting special events on Facebook, *The Angelus*, the website – www.stmichael-pl.org, and the weekly bulletin. Writing and coordinating articles in *The Angelus* and the bulletin. Reinforcing the “Church of St Michael” brand using the colors of our parish and logo on all methods of communications. Participating in parish wide events, and capturing these events in print, photographs and in electronic media and much more.

HOW YOU CAN HELP?

We are currently looking for new members!

Anyone with an interest in communications (including writing, editing, graphics design web design, and social media) is welcome to join us at meetings. We are especially seeking individuals with a background in public relations, advertising, communications and marketing.
